PROFILE

MSc Artificial Intelligence & Data Science student focused on building practical intelligent applications. Interested in Generative AI, Machine Learning, RAG, LangChain, Data Science and modern full-stack development, with hands-on work across Python, React, SQL/PostgreSQL, Git/GitHub and Three.js.

EDUCATION

MSc Artificial Intelligence & Data Science Indira College of Commerce and Science, Pune	2026–28 Currently pursuing • 1st Semester
BSc Computer Science Indira College of Commerce and Science	2025–26 CGPA: 9.72

12th: Creative Public School — 2022–23 — 55.17% | **10th:** Shri Sainath Highschool — 2020–21 — 87%

PROJECTS

- **University AI Chatbot** — Academic assistant concept using LangChain, document-based RAG, LLM integration and a web interface.
- **Tayyab AI Portfolio Assistant** — AI assistant integrated into the portfolio with coding, study, research and document-oriented modes.
- **AI / Data Science Learning Tools** — Interactive tools covering classification, threshold analysis, RAG concepts, clustering and model-oriented explanations.

SKILLS

Languages: Python, C, JavaScript, SQL | **AI/ML:** Generative AI, Machine Learning, RAG, LangChain, Data Science | **Web:** React, HTML, CSS, Three.js | **Database:** PostgreSQL, DBMS/RDBMS | **Tools:** Git, GitHub, VS Code, Linux/Ubuntu

CERTIFICATIONS

- **Mastering Data Structures & Algorithms using C and C++** — Udemy — Completed
- **RedMagic / Infosys Certification Course** — Completed

ACHIEVEMENT / PATENT

- **NFC Card and Wireless Technology for Wireless Payments** — Applicant. Patent filed at the Indian Patent Office and the United States Patent and Trademark Office.
